

Net Art Process Book

Jennah Gibson

Net Art

Net art is an artistic medium in which involves the “net” or the internet. It can also just plainly represent some technological aspect involved with a medium. The range of mediums under the term net art is enormous, and represent millions of artistic expressions.

The Randomizer

The first step in this assignment is to randomize a spreadsheet to find your overarching theme

My randomizer gave me,

“Owners becoming pavers becoming vendors with leaving extremism trucks.”

Net Art Draft 1

Net Art Draft 2

Net Art Draft 3

Net Art Draft 4
